

# Engineered for the long run!

Thank you to Physicians Ambulance Service for your confidence. You can count on us to deliver on your expectations.

The dedicated personnel of the Physicians Ambulance Service believe that with their best in class service, their patients deserve the best ambulances available on the market. When that tough call comes in, they can focus on patient care and they know that their equipment won't let them down. Durability, reliability and quality of their equipment are not negotiable.

When Physicians Ambulance Service of Cleveland, Ohio was looking for new ambulances to put into service, they chose Demers Ambulances. 2 top of the line Mirage Light Type II models with our award winning functional design and heavy duty advanced composite aerodynamic raised roof.

Come and join the growing Demers Family.
